Why participate in ITL IRAQ 2024?

- More than 100 international and Iraqi companies and more than 10,000 visitors will gather at ITL IRAQ 2024 exhibition and conference per day to showcase the latest innovations in the transport and logistics sector in Iraq, where the benefits of attendance and participation will increase to meet major companies and personalities in the sector. And it is considered as the most important and the first event of its kind in Iraq.
- Itel exhibition is sponsored by the highest authority in Iraq, which is the Office of the Prime Minister, Mr. Mohammad Shiaa Al-Sudani, the Iraqi Ministry of Transportation, and the Civil Aviation Authority, where the most important investment opportunities for the International Development Road project, the Grand Al-Faw Port, and the most prominent opportunities in the aviation, railways, land, sea, and air transport sectors and private transport will be presented.
- The conference will include participation and discussion from those who have experience, scientific standing, and full knowledge of the challenges of the public and private sectors, where the most prominent problems and the way to find solutions will be discussed while demonstrating the latest products and services in Iraq.
- The exhibition will allow participating exhibitors to display products and services to the target audience and beneficiaries in a special environment suitable for the transportation and logistics sectors.
- You will discover new opportunities in the Iraqi market because of its great opportunities to invest in the labor market.
- Find out and learn more about the needs of the Iraqi market in both the public and private sectors and what their requirements are for partners, products, services, and expertise to benefit from participation and to present your services in the best way.
